

# HELP US BUILD VALLEY PARK'S GO GREEN CRICKET FIELD AND CREATE COMMUNITY AND DIVERSITY AROUND IT!

This much needed community hub will:

- Offer a friendly environment for children and adults to learn about cricket within a sustainable environment
- Create opportunities for newcomers to connect over their common passion for cricket
- Transform an underutilized schoolyard and public land into a vibrant community space
- Reclaim rainwater for irrigation of our field and provide an outdoor learning environment

## Go Green Sustainable Sports Field

- Community cricket within walking distance of the neighbourhood
- Multi-use with baseball and soccer using portable nets and baseball cages located just outside the cricket pitch and oval
- Rainwater harvested and diverted from the roof tops and parking lot through a bioswale into a marsh and an irrigation holding tank
- Beauty of the Don River valley brought back up to the school yard
- A track under a tree canopy to create an improved micro-climate
- An amphitheatre for outdoor cultural performances
- Cricket and baseball practice cages

### Learning opportunities

- Understanding Storm Water Management within a natural setting making "invisible processes visible"
- Hands on experience planting a vegetable and herb garden
- Creating an urban forest with students planting trees
- Reconnecting the schoolyard to the Don valley ecosystem
- Linking the TDSB's Ecoschools program with the schoolyard.
- Linking the Ontario curriculum to the schoolyard including the Diversity of Living Things and Water Sustainability
